recovery take back service

Take Back Service

Working with our partners, we work to find your used carpet tiles a new home, such as helping local community organisations requiring low cost flooring.

By using the recovery take back service, you can ensure none of your used carpet tiles end up in landfill.

Carbon Status:

carbon neutral

· Offset at source and independently 3rd party verified. Details available upon request.

Yarn Description:

carbon negative recycled yarn

Backing:

BioBase®

* Recycled content BS EN ISO 14021

Products:
